Put your experience to work with Volt

VOLT Military Heroes Program

Maintenance Technicians I & II – Ankeny, IA

Compensation: \$17.00/\$22.00hr (DOE)

Type: Direct

Maintenance Technician I is needed for evenings (2nd shift) and Maintenance Technician II is needed for weekends (4th shift).

Summary of Duties:

- Provides maintenance support by performing ongoing repairs and maintenance to equipment and machinery in all areas of the facility
- Assists in the installation, set-up and repair of injection molding machines and other manufacturing equipment to achieve the timely production of quality plastic parts
- Troubleshoots equipment to prevent repairs or breakdowns of production/tooling or building equipment. Completes routine preventative maintenance to equipment
- Organizes the necessary equipment or supplies needed to facilitate the timely installation or repair of equipment. This may include identifying supply sources to purchase materials as needed
- Will serve as back-up support for HVAC systems and building during scheduled work hours. Follows established troubleshooting or repair procedures as needed.

Requirements:

- Must be a **Non-Smoker** to apply for the job (Clean room environment)
- High school education coursework or GED required
- Experience with repair or maintenance of machinery necessary
- Ability to be self-directed and work independently to complete tasks
- Mechanical aptitude as demonstrated through skills, hobbies or education
- Welding, electrical, HVAC, machining knowledge or experience all a plus
