

The Sabalauski Air Assault School

Pathfinder School Off Post Training Information

PATHFINDER INFORMATION

The Sabalauski Air Assault School (TSAAS) is a 101st Airborne Division (AASLT) School dedicated to support the world's only Air Assault Division by training 101st Airborne Division (AASLT) Soldiers in Air Assault operations, sling-load operations, and rappelling. To support our mission, TSAAS is a closed course and does not accept off post Soldiers without exception to policy authorization from the Division G3.

Army Pathfinders are trained to provide navigational aid and advisory services to military aircraft in areas designated by supported unit commanders. The Pathfinders' secondary missions include providing advice and limited aid to units planning air assault or airdrop operations. During the Pathfinder course students are instructed in aircraft orientation, aero-medical evacuation, close combat assault, ground to air communication procedures, Control Center operations, all three phases of a sling load operation, Helicopter Landing Zone and Pick Up Zone operations, and Drop Zone operations (Computed Air Release Point, Ground Marker Release System, and Verbally Initiated Release System), dealing with U.S. military fixed and rotary wing aircraft for personnel and equipment.

EXCEPTION TO POLICY REQUEST PROCESS

1. Off-post Soldiers follow the guidelines below.

a. Soldiers must receive Temporary Duty Assignment (TDY) orders on an official Department of Defense (DD) Form 1610 to attend a course at TSAAS. Nonpaid TDY on a DD Form 1610 is authorized with proper permission from the respective chain of command.

b. Ensure the prospective student meets prerequisites found in Fort Campbell (FC) Form 4137 available on the Air Assault Homepage (<http://www.campbell.army.mil/units/Sabalauski/Pages/Pathfinder.aspx>).

c. Provide TSAAS with a complete packet (off post school request memo, Exception to Policy memo, FC 4137 complete, copy of AASLT orders, and ERB) for the requested course no earlier than 30 days and NLT 10 working days prior to the course start date. Once the packet is approved, TSAAS creates the Army Training Requirements and Resources System (ATRRS) reservation. It is the requesting unit's responsibility to verify ATRRS. Failure to provide a complete packet will result in no ATRRS reservation.

WAIVER

Memorandum of Justification is needed when certain prerequisites are not met. The submission of requests for waiver is discouraged; course prerequisites have specific rationale and are well established. However, service members may request the waiver of a specific course prerequisite. Requests are submitted in memorandum format through the first LTC (O-5 or above) in the Chain of Command. All requests address a specific prerequisite, date, and a requested class number. Most importantly the waiver contains a valid justification and persuasive argument for the waiver addressing the specific Soldier and the unit's need. Waiver request submission does not ensure favorable consideration.

LODGING

TSAAS does not provide lodging for service members. Service members need to make their own lodging reservations. There are no available barracks for students on post. On post lodging can be located at 77 Texas Avenue, Fort Campbell, Kentucky 42223. Contact Turner Army Lodging by phone (270) 439-2229 or by internet at <http://www.fortcampbellmwr.com/lodging/index.html> for all lodging issues or statements of non-availability.

MEALS

TSAAS has no assigned dining facility; however dining facilities are available on Fort Campbell at the student's expense. A meal plan to include a full meal rate must be annotated on the Soldiers DD Form 1610.

TRANSPORTATION

TSAAS does not provide any type of shuttle service. Students must have a reliable mode of transportation for transportation to and from class.
