

Accountant – Job ID 11687

Farmington, MI

Removal Date: November 12, 2016

At Roush, we fuse technology and engineering to provide product development solutions to customers in a diverse range of industries. Widely recognized for providing engineering, testing, prototype, and manufacturing services to the transportation industry, Roush also provides significant support to the aerospace, defense and theme park industries. With over 4,000 employees in facilities throughout the United States, Europe, Asia, and South America, our unique combination of creativity and tenacity activates big ideas on a global stage. We want motivated, ambitious people who put the needs of our customers first, bring creativity to their work and will do whatever it takes to achieve success. If you share our passion for providing innovative solutions to complex challenges, we want you on our team.

Are you an Accountant looking to advance your career in a fast-paced, corporate setting? Roush is growing and we have an immediate opening for an Accountant in the Tax Department! This is a great opportunity for someone looking to leave public accounting or for someone who is looking to grow in their corporate accounting career! This person will be self-motivated, hardworking, and will work with outside consultants to prepare domestic federal and multi-state and international income tax compliance in addition to review of internally prepared payroll, sales, property, and other indirect tax compliance while performing tax research and planning. This position is located at our Farmington, MI facility.
