POSITION QUALIFICATIONS:

Results obtained in standard tests for this position must meet minimum requirements established by the Company, in accordance with Company policy.

Must meet safety-related requirements including but not limited to those standards of safety imposed by OSHA, state agencies, manufacturers and/or the Company.

Possess and maintain a valid/current state driver's license and a Commercial Driver's License (CDL) with a satisfactory driving record, and meet applicable Federal and State standards for operating the various vehicles. Must pass Department of Transportation (DOT) physical to qualify for CDL, and any applicable drug and alcohol testing. The applicant will receive related Company provided DOT training. Upon completion of DOT training, the applicant must qualify on DOT's Commercial Driver's License written and skills qualifications tests to retain the job.

Must be able to drive all types of Company vehicles; automatic or manual transmission, and operate associated special equipment.

Must be able to perform physical requirements of the job, with or without a reasonable accommodation, including, but not limited to, lifting, carrying and maneuvering heavy equipment up to 75 lbs.

ADDITIONAL REQUIREMENTS LISTED
IN THE JOB DESCRIPTION.
