

## **Automotive Technician/Mechanic - Denver, CO - Job ID 11553**

**Denver, CO**

**Remove Post: September 24, 2016**

At Roush, we fuse technology and engineering to provide product development solutions to customers in a diverse range of industries. Widely recognized for providing engineering, testing, prototype, and manufacturing services to the transportation industry, Roush also provides significant support to the aerospace, defense and theme park industries. With over 4,000 employees in facilities throughout the United States, Europe, Asia, and South America, our unique combination of creativity and tenacity activates big ideas on a global stage. We want motivated, ambitious people who put the needs of our customers first, bring creativity to their work and will do whatever it takes to achieve success. If you share our passion for providing innovative solutions to complex challenges, we want you on our team.

Are you an Automotive Technician/Mechanic looking for a dynamic company to join? Roush has an immediate, day shift opening for an enthusiastic Automotive Technician/Mechanic. This position provides an opportunity for a motivated top line technician to leave the world of repetitive flat-rate repairs to get involved in the field of Engineering Evaluation and testing of new and prototype vehicles. **This position is located in Henderson, CO.**
