

Building Maintenance Technician - Job ID 11633

Allen Park, MI

Remove Post: November 26, 2016

At Roush, we fuse technology and engineering to provide product development solutions to customers in a diverse range of industries. Widely recognized for providing engineering, testing, prototype, and manufacturing services to the transportation industry, Roush also provides significant support to the aerospace, defense and theme park industries. With over 4,000 employees in facilities throughout the United States, Europe, Asia, and South America, our unique combination of creativity and tenacity activates big ideas on a global stage. We want motivated, ambitious people who put the needs of our customers first, bring creativity to their work and will do whatever it takes to achieve success. If you share our passion for providing innovative solutions to complex challenges, we want you on our team.

Are you a Building Maintenance Technician looking for a dynamic company to join? Roush is searching for a Building Maintenance Technician who will perform maintenance duties such as plumbing, carpentry, door hardware, office furniture assemblies, minor electrical, machine troubleshooting and repair, minor fabrication, and other duties as assigned. The Building Maintenance Technician will also travel between local facilities, work with minimal supervision, and able to work a flexible schedule. **This position is located in Allen Park, MI.**

Qualifications

- High school diploma or equivalent
- Minimum 2 years' experience in commercial/industrial maintenance or related
- Must have own tools such as: a cordless drill, pipe wrenches, screwdrivers, etc.
- Must have dependable transportation and a valid driver's license
- Building Maintenance Technician must be able to lift 75 lbs.
- Must be able to walk, stand, bend, kneel, crouch, climb, and twist frequently
- Must possess attention to detail and a willingness to learn
- Must be enthusiastic and self-motivated
- Building Maintenance Technician must be willing to travel to local campuses
- Must be willing and able to work mandatory overtime
- Building Maintenance Technician must be able to follow all applicable safety procedures

Preferred Skills

- Hi-lo and/or scissor lift experience (willing to train)
- HVAC experience
- Excellent communication skills, both written and oral
- Basic computer skills
