

**Engineering Support Coordinator- Job ID - 11540**

**Wittman, AZ**

**Removal Date: August 24, 2016**

At Roush, we fuse technology and engineering to provide product development solutions to customers in a diverse range of industries. Widely recognized for providing engineering, testing, prototype, and manufacturing services to the transportation industry, Roush also provides significant support to the aerospace, defense and theme park industries. With over 4,000 employees in facilities throughout the United States, Europe, Asia, and South America, our unique combination of creativity and tenacity activates big ideas on a global stage. We want motivated, ambitious people who put the needs of our customers first, bring creativity to their work and will do whatever it takes to achieve success. If you share our passion for providing innovative solutions to complex challenges, we want you on our team.

Are you an Engineering Support Coordinator looking for a dynamic company to join? Due to our steady growth, we have an immediate opening for a full-time Engineering Support Coordinator. This is a great opportunity for someone detail driven, flexible, self-motivated with excellent problem solving skills. The Engineering Support Coordinator will be responsible for interacting with the customer along with coordinating and overseeing travelers that are coming into the facility. **This position is located at our Wittman, Arizona location.**

**Qualifications:**

- High school diploma or equivalent
- Must have 1 year of coordinating experience within the automotive industry
- Must have proven customer service experience
- Must have a valid driver's license
- Ability to be flexible and work in different areas
- Basic mechanical aptitude
- Must have basic hi-lo experience
- Solid organizational skills including proven ability to multi-task
- Effective written and verbal communication skills
- Knowledge of MS Office programs, including Word, Excel, Outlook, and PowerPoint
- Able and willing to learn new software applications
- Able and willing to work off shifts and weekends as necessary to support testing milestones
