## Shasta-Trinity National Forest

### Fisheries Biologist - GS 0482-09 Weaverville, California

The Shasta-Trinity National Forest is outreaching for a dynamic self-starter to assume leadership as the Fisheries Biologist, GS 0482-09 to be located in Weaverville, California. This is a permanent full-time position with a duty station in Weaverville, California. Building new partnerships and maintaining existing partnerships are key elements of this position. Other important aspects of the position include: leadership, personal initiative, preparing environmental compliance documents, collaboration, grant writing, problem-solving and strong listening skills. If interested in this position, complete the attached outreach response form and send to [tlynsky@fs.fed.us](mailto:tlynsky@fs.fed.us) by **November 3, 2016**.

**DUTIES:** Employee serves as an assistant to the Fisheries Biologist with responsibilities for planning and administering crew work for the Trinity River and South Fork Management Units. Applicant is responsible for providing professional expertise in the fields of Fisheries for the units.

- Provides expertise and assistance in Fisheries Resource Management
- Prepares environmental documents for associated fisheries projects and other projects
- Prepare the seasonal program of work and lead a crew of two or three employees.

#### **Forest:**

The Shasta-Trinity National Forest, located in north central California, is the largest national forest in California. It is comprised of 2.1 million acres ranging in elevation from 1,000 feet to 14,162 at the summit of Mt. Shasta. This forest encompasses five wilderness areas, hundreds of mountain lakes and more than 6,000 miles of streams and rivers. In addition, there are wild and scenic rivers, national trails and scenic byways and a National Recreation Area. For further information on the forest, please see [www.fs.fed.us/r5/shastatrinity](http://www.fs.fed.us/r5/shastatrinity).

The Trinity River Management Unit lies within parts of Shasta and Trinity Counties. This unit is critical to tourism, recreation, and the economy of Trinity County. This is a land of

brehtaking beauty and a place where everyone can enjoy the great outdoors. For more information on the unit, please see:

<http://www.fs.fed.us/r5/shastatrinity/about/units/trmu/index.shtml>.

### **Community:**

The historic town of Weaverville, the county seat, is nestled at the base of the magnificent Trinity Alps Wilderness. It is about 40 miles west of Redding, California, 80 miles south of the California/Oregon border and two hours from the Pacific Coast. It is a full service community of approximately 3,500 people and features a hospital, high school, charter and private schools, satellite, junior college campus, restaurants, movie theater, grocery and churches. Public transportation is available with a county bus service. The closest commercial airport is in Redding. There is a weekly newspaper in Weaverville and a daily newspaper in Redding.

There are four distinct seasons. Summers are dry with temperatures between 90 and 100 degrees Fahrenheit. Most precipitation falls between mid-October and May, some in the form of snow. Average precipitation is 36 inches for the Weaverville area. The average temperature in January is 32 degrees and 104 degrees in August.

The average 3-bedroom/2 bath house sells for \$255,000 and up in the Weaverville area. Monthly rent for a 3-bedroom house is about \$1100/month. Housing and rental costs are somewhat lower in surrounding communities. For further information on the community, please see <http://www.weavervilleinfo.com>
