The JLR Veterans Careers Program is designed to promote the hiring of qualified United States Military Veterans, Transitioning Military Service Members, and currently serving National Guard and Reserve Component Members in good standing at participating Jaguar Land Rover Retailers throughout the nation.

Veteran candidates must meet the requisite qualifications, experience and capability requirements, and be willing to attend a three-week long in-resident instruction and certification course upon hiring.

Completion of at least three years working in the specific technical field of study at the unit, organizational, ship, base, installation or direct support maintenance level (and maintained a high level of experience within the past 3). Must be able to provide proof of work experience and Job Designation.

Must be willing to accept a minimum 12 month employment obligation upon hiring.

Position Qualifications:

Minimum targeted requirements include:

An Honorable Discharge from the military

Ability to pass the following pre-employment screening requirements: drug screening, credit score, Motor Vehicle record report, and a background investigation.

Valid Driver's license and clean driving record
