

Material Build Coordinator - Job ID: 11683

Allen Park, MI

Remove Post: October 18, 2016

At Roush, we fuse technology and engineering to provide product development solutions to customers in a diverse range of industries. Widely recognized for providing engineering, testing, prototype, and manufacturing services to the transportation industry, Roush also provides significant support to the aerospace, defense and theme park industries. With over 4,000 employees in facilities throughout the United States, Europe, Asia, and South America, our unique combination of creativity and tenacity activates big ideas on a global stage. We want motivated, ambitious people who put the needs of our customers first, bring creativity to their work and will do whatever it takes to achieve success. If you share our passion for providing innovative solutions to complex challenges, we want you on our team.

Roush is looking for a Material Build Coordinator at our facility in Allen Park, MI. This position will support prototype vehicle builds by tracking and verifying bills of material.

Qualifications

- High school diploma or equivalent.
- Minimum of two years of vehicle build logistics experience.
- Must have basic mechanical ability.
- Must have experience with inventory planning and administration.
- Effective written and verbal communication skills.
- Must be able to provide excellent customer service.
- Proven ability to use computer software including Outlook and Excel.
- Must be able to work overtime and weekends.

Preferred Skills

- GPIRS experience.
