

Booz Allen Job Announcement

Mission Manager

Key Role:

Serve as a specialized expertise officer. Provide direct support to a client in driving complex worldwide operations to develop actionable intelligence against the highest priority threats to US national security which are increasingly transnational in origin. Develop specialized expertise to identify, analyze, and facilitate the penetration and disruption of international organizations and networks posing threats. Develop expertise in the client's functional missions, including terrorism, proliferation, narcotics, or counterintelligence and regional expertise.

Basic Qualifications:

- 5+ years of experience in the intelligence community
- Knowledge of various collection platforms used to close intelligence gaps and accomplish strategic, operational, and tactical objectives
- Knowledge of Microsoft Office and other IC related software tools
- Ability to work shift work: 24x7x365 (rotating) - 1 week of day shift (7 days in a row), 1 week of swing shift (5 swings in a row), and 1 week of night shift (7 nights in a row)
- Ability to take part in domestic and international client-sponsored deployments
- Ability to obtain a security clearance
- BA or BS degree

Additional Qualifications:

- Experience with law enforcement or other US government intelligence components preferred
- Knowledge of a foreign language preferred
- Knowledge of all-source intelligence, SIGINT, MASINT, IMINT, or HUMINT collection or analysis
- Knowledge of counterterrorism, counterintelligence, counter-proliferation, counter-narcotics, or regional affairs
- Possession of excellent oral and written communication skills
- TS/SCI clearance with a polygraph

Clearance:

Applicants selected will be subject to a security investigation and may need to meet eligibility requirements for access to classified information.
