We are actively recruiting Veterans of all branches, with Operations & Supply Management backgrounds for openings in high energy distribution centers, nationwide.

These are full time, paid positions which provide a competitive compensation program to attract, retain, and motive a high-performance workforce.

Salary is based on region and experience.

As an Operations Supervisor on our team, you'll be helping to keep our distribution center operating smoothly. From training to problem solving to maintaining equipment, your work will help save lives.

Position Qualifications:

Veteran candidates with a strong military background in distribution/warehouse activities, with supervisory controls.

Minimum targeted requirements include:

5+ years operational experience including 2+ years managerial experience

An Honorable Discharge from the military

Bachelors Degree preferred; will substitute with experience.

Industry experience in logistics, supply chain, warehouse, manufacturing, or distribution environment preferred.

Required to work various shifts, including nights and days.

Some overtime required.
