

## **Test Technician / Heat Lab – Job ID 11651**

**Allen Park, MI**

**Remove Date: November 30, 2016**

At Roush, we fuse technology and engineering to provide product development solutions to customers in a diverse range of industries. Widely recognized for providing engineering, testing, prototype, and manufacturing services to the transportation industry, Roush also provides significant support to the aerospace, defense and theme park industries. With over 4,000 employees in facilities throughout the United States, Europe, Asia, and South America, our unique combination of creativity and tenacity activates big ideas on a global stage. We want motivated, ambitious people who put the needs of our customers first, bring creativity to their work and will do whatever it takes to achieve success. If you share our passion for providing innovative solutions to complex challenges, we want you on our team.

Are you a Test Technician looking for a dynamic company to join? Roush has an immediate opening in our heat lab for an enthusiastic, detail oriented Test Technician to join our team! This is a day shift, full-time position located in Allen Park, MI.
