

The Nestle USA Bakersfield, CA facility is the world's largest ice cream factory. It is a nonunion facility and operates 24/7. This specific position will be a 2nd/3rd shift position including 1 weekend day – exact schedule is yet to be determined. Ideally, they are searching for a candidate that has excellent communication and leadership skills, 3 years' of logistics supervisory experience in a lean manufacturing environment and holds a Bachelor's Degree in Logistics / Supply Chain or has equivalent experience.

Interested candidates can send their resume to me at [james.mccandless@workforwarriors.org](mailto:james.mccandless@workforwarriors.org) and I will forward it to my POC.

They can also check out the job description in more detail at:
