## Financial breakdown of program cost to Veterans

|         |                                   |
|---------|-----------------------------------|
| \$1,495 | Enrollment Cost                   |
| - 995   | A Legacy for Learning Scholarship |
| 500     | Enrollment fee due from Veteran   |
| - 500   | Reimbursement from VA (LACAS)     |
| 0       | Net Cost to Eligible Veterans     |

- A Legacy for Learning Corporation provides scholarships to qualified veterans in the amount of \$995.
- Qualified veterans are required to pay the initial \$500 enrollment fee.

- The Veterans Administration has approved a \$500 reimbursement for eligible veterans under the Licensing and Certification Approval System (LACAS) program.\*
- To assist those with financial hardship; TechU24/7 offers interest free loans for up to six months to veterans who do not have benefits or to those who cannot afford the initial \$500 enrollment fee.\*\*

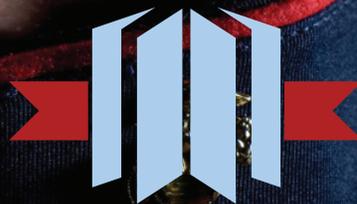

\* Upon completion of the program, eligible veterans will submit VA Form 22-0803, along with a copy of their paid receipt, and certificate of program completion for reimbursement of initial payment.

\*\* The final proctored exam and job interview will not be scheduled until the loan is paid in full.
