**Call us: 1-800-568-3688 or Apply Online at: [www.Merendino-CC.com](http://www.Merendino-CC.com)**

**Company Description:**

Merendino Contracting, Inc. developed a unique training system and career path for our transitioning service personnel. The company understands the importance and relevance of military training and how those skills and work ethic can easily translate to the leadership roles available at Merendino. Merendino is looking for self-starters with equipment operator experience with leadership skills that can energize a team and enjoy working outdoors.

The Company's comprehensive training program includes an introduction to the cemetery-care industry, equipment usage/maintenance, lawn maintenance procedures, excavation and safety. The training program is for two weeks at our corporate location. It is a paid training program and includes all travel expenses. This is a great opportunity for a veteran to utilize the leadership skills he or she obtained in the military and apply them to a career that provides meaningful experiences to cemetery clients during one of the most difficult times in their lives.

We are looking for a veteran who wants to learn and grow with the organization. We provide on-going training and guidance to ensure our employees perform their responsibilities with efficiency, confidence and respect. The company is rapidly growing and offers potential for advancement.

We have locations in NJ, NY, PA, IL and WI.

**Other Benefits:**

- Medical and dental coverage are available
- GI Bill: Merendino is a proud participant of the Veteran GI Bill Apprenticeship and OJT Program which offers veterans and those currently in the guard or reserve an alternative way to use the VA (GI Bill) education and training benefits. While in training for a new job with Merendino, you can receive monthly training benefits from the Department of Veterans Affairs (VA) in addition to your regular salary. The VA pays veteran GI Bill participants on a scale depending on the amount of time you are enrolled in the program.
- Employees provide their own transportation to and from the initial worksite; then use a company vehicle to travel from site to site throughout the workday.
- Tuition Reimbursement is available after one year of employment for courses that are job-related.
- We are a veteran-friendly organization, providing assistance to ease the transition from military to civilian life.

**Job Description:**

This position is a working supervisor that performs excavation and burials in the Robbinsville, NJ and Philadelphia, PA areas.
