MEMORANDUM FOR See Distribution

SUBJECT: Installation Recycle Policy

1. To enhance the Installation Sustainability Program and the Installation Recycling Program, I reaffirm the Installation Cardboard and Office Paper Recycling Policy, dated 31 January 2003, and direct all garrison activities, units, tenants, and tenant organizations on the installation to implement the policy. This effort will help meet DoD solid waste reduction directives and contribute to the development of a sustainable installation.
2. Furthermore, I encourage efforts to exceed minimum requirements. In addition to the materials included in the current policy, program expansion to include recyclable metals and plastics, or any other recyclable waste produced by the organization, is appropriate. Program implementation is to be accomplished in an expeditious manner, consistent with mission requirements.
3. Point of contact is Mike Davis, PWBC Pollution Prevention Branch, telephone 798-9767.
