31 Jul 06

MEMORANDUM FOR SEE DISTRIBUTION

SUBJECT: Fort Campbell Government Property Disposal/Diversion Policies/Practices

1. References:

- a. 41 CFR Part 101 - Federal Property Management Regulations, as of 18 Aug 05
- b. Federal Acquisition Regulations (FAR), issued Mar 05
- c. DoD Sustainable Management of Waste in Military Construction, Renovation, and Demolition Activities, 11 Jul 06
- d. Fort Campbell, Kentucky Technical Design Guide, 30 Sep 05.

2. Salvageable Materials:

a. Government salvageable materials shall not be transported off the installation without approval from/through the Contracting Officer Representative (COR) and Environmental Division. Government salvage requirements shall be evaluated on a project by project basis.

b. Salvageable materials shall be disposed of as per contract specifications. If salvageable materials are transported off the installation, the contractor shall provide the project COR with the following information: type of material(s), method of disposal, and weights of material(s).

3. Construction and Demolition (C&D) Materials:

a. All C&D materials, which are acceptable for disposal at the Woodlawn C&D landfill or borrow areas, shall not be removed from the installation.

b. Materials assessed not acceptable for disposal at the Woodlawn Landfill, shall be disposed of in compliance with contract specifications.

4. Personnel/contractors violating government property disposal/diversion policies/practices are subject to potential debarment, suspension, ineligibility and prosecution under FAR.

5. Point of contact is Ms. Loan Harris, Solid Waste/Recycle Program, Pollution Prevention Branch, Environmental Division, Directorate of Public Works, phone 270-798-9769.

JAMES F. DUTTWEILER  
Director of Public Works
