

FACT SHEET

SUBJECT: Power Projection Enhancement Team (PPET) Visit to Fort Campbell.

1. Purpose: To provide information pertaining to the Power Projection Enhancement Team (PPET) visit.

2. Facts:

a. The FORSCOM Power Projection Enhancement Team (PPET), lead by LTC Brenda White will conduct an assessment of personnel services within the 101st Airborne Division (Air Assault) from 4 – 7 Nov 02. The PPET's mission is to assess performance and improve FORSCOM personnel support systems that impact readiness. The team will assess six battalion and two brigade S1 work centers, the 101st Soldier Support Battalion (SSB), ACofS, G1, and additional installation functions during the visit. The assessment will last approximately three hours at each S1 work center. The ACofS, G3 will task units in a separate document.

b. The team will conduct inbriefings, training seminars and outbriefings. The audience for the in and outbriefings are the ACofS, G1, SSB Commander and their key personnel staff leaders and assessed unit brigade and battalion XOs, S1s and PAC NCOICs. The training seminar will be held during Sergeants' Time and is for all military and civilian personnel working in personnel administrative centers and all MOS 75 series personnel assigned to Fort Campbell.

3. The POC for this memorandum is 2LT Montalban, ACofS, G1, Chief of Operations, 798-7362.

KENT R. SHAW, LTC, GS, ACofS, G1
