Dear Future Screaming Eagle Soldier:

Congratulations on your assignment to the 101st Airborne Division (Air Assault) and Fort Campbell. On behalf of the Commanding General, I welcome you to Screaming Eagle Country! You will find out soon to which unit you will be assigned. You may contact the Enlisted Management Branch for specific information pertaining to your assignment. They can be reached at by calling (270) 798-9267 (DSN prefix is 635).

Your tour here will be both professionally rewarding and personally enjoyable. Our units are well-trained, well-equipped, and continuously developing new concepts in the employment of the Air Assault doctrine, tactics, techniques, and procedures. Training at Fort Campbell is challenging and exciting.

You should arrive in good physical condition. We conduct physical training five days a week, to include road marches and running four miles at a 36 minute pace. The Sabalauski Air Assault School is located here. If not already air assault qualified, your unit will provide an opportunity to attend this 10-day course early in your tour of duty.

For information regarding Fort Campbell, Kentucky and the surrounding communities, you should contact your local Army Community Services (ACS) or access the following internet addresses: Standard Installation Topic Exchange Service (SITES) at www.dmdc.osd.mil or Fort Campbell's home page at www.campbell.army.mil. I strongly encourage you to use both the internet and the SITES system from ACS.

We look forward to your arrival at Fort Campbell. Air Assault!
